

# OLI-AQUA CARE Parkettwischpflege 15.94

## Parquet wiping care 15.94

### Product description

Solvent-free parquet wiping care for the maintenance cleaning of all waterproof sealed wooden and parquet floors with excellent grease and dirt etching qualities. Does not leave cleaning marks or thick wax layers.

### Properties

- maintenance cleaning for sealed wooden and parquet floors
- removes dirt and grease reliably
- mild odour
- compatible with OLI-AQUA POLISH Basic parquet care 15.95.
- Giscode: GU 40

### Areas of application

Cleaning and care of all waterproof sealed wooden and parquet floors.

### Ordering information

OLI-AQUA CARE Parkettwischpflege 15.94                      420 902 05  
Container sizes    5 / 1 litres

### Shelf-life/Storage

12 months in the factory sealed containers. Storage and transport temperatures are not to exceed +30°C or to fall below +5°C.

### Labelling

For labelling details and safety instructions please refer to our safety data sheet at [www.oli-lacke.de](http://www.oli-lacke.de).

### Annotations/Instructions for use

- Dilute OLI-AQUA CARE Parquet wiping care 15.94 at a ratio of 1 : 200 (50 ml per 10 litres water) and wipe the floor with this dilution with a damp, well wrung-out mop.
- Coverage: approx. 0,1 litres per 100 sqm.
- Large areas can be spray-cleaned in combination with a single-disc machine with a dilution at a ratio of 1 : 200 to 1 : 400.
- Remove grease spots, heel abrasion marks and other sticking dirt with undiluted OLI-AQUA CARE Parquet wiping care 15.94 using a scratch-free pad. Take up dirt and cleaner residues with a wrung-out cloth afterwards.
- Never leave parquet or wooden floors damp or even wet over a longer period of time, because they can absorb water at their joints and change their shape (swelling)! Always sweep only slightly damp (i.e. with a well wrung-out mop) and avoid "puddles" on the floor!

### Application

#### 1 Wiping care

Wiping care : dilute with water at a ratio of 1 : 200 (50 ml per 10 litres)

Wipe slightly damp with a well wrung-out mop

Allow to dry
